➤ Profile

Computer Science Engineering student in the second year at the National School of Applied Sciences, with a solid foundation in various areas of computer science. Motivated and eager to apply and expand my skills through hands-on experience. I am open to any opportunities that will enhance my competencies and contribute to my professional growth.

➤ Education

- **PFA – E-commerce Website:** Design of a platform for traditional Moroccan products (**Apr 2025 – Jun 2025**)
National School of Applied Sciences, Fez
- **Initiation Internship** – Prefecture of Fez: Design of a website for managing citizen consultations at the Social Protection Service (**Aug 5, 2024 – Sep 4, 2024**)
- **National School of Applied Sciences, Fez:** Computer Science Engineering Program (**Sep 2021 – Present**)
- **EURO SCHOOL GROUP Institute, Fez:** Web Development Training, 3-month program (**Jun 2022 – Aug 2022**)
- **CPGE Moulay Idriss, Fez:** Completed one year in the MPSI track (**2020 – 2021**)
- **Mathematics Baccalaureate (2020)**

➤ Skills

- **React.js** – Used it for my Final Year Project (PFA).
- **ASP.NET Core** – Developed a website for managing a training center.
- **Django** – Used for the back-end of my internship project.
- **HTML, CSS, JavaScript** – Created a portfolio, a website for a café, and developed the project for my initiation internship.
- **Databases:** Proficient in relational and object-relational models (**MySQL, Oracle**).
- **Programming Languages:** Java, Python, C, C++, Matlab.
- **Critical Thinking** – Participated in UPF Coding Challenge V7 and Xtreme 2024, problem-solving competitions.
- **Time Management** – Ability to balance extracurricular activities (member of the Space astronomy club in 2023-2024 and IEEE student branch for two years, currently serving as Chair of the Finance Committee) and studies.
- **Event Management** – Organized Astronomy Day, SPAX IEEE (2024), and IEEE R8 Entrepreneurship (2025).

➤ Langues

- **Arabic** – Native language
- **French** – Fluent
- **English** – Intermediate
